The walls start breathin'. My mind's unwavering. Maybe it's
beat you leave me alone. A weight is lifted on this eve-

I give the final blow. When darkness turns to light, it ends to-night.

It ends to-night. A falling star, at least I fall alone.
-min' I give the final blow. When darkness turns to light,

it ends tonight. It ends tonight. Just a little insight won't make this right. It's too late to fight. It ends tonight.

It ends tonight. Now I'm on my own side.
It's better than been' on your side. It's my fault when you're blind. It's better that I see it through your eyes.

All these thoughts locked inside, now you're the first to know. When darkness turns to light, it ends tonight. It ends tonight. Just a little in-
sight won't make this right. It's too late to fight. It ends tonight.
